

PRICING

Comprehensive Curriculum

- **Individual License**
Register a student for one year and they will receive all available courses plus each new course published during the contract period.....\$45 per month. You can order your license in our "Online Store".
- **Corporate License**
Our Trainingspace™ Corporate License allows your students access to ALL COURSES, at all times. Train both new and seasoned employees, manage their training schedule and track their learning progress.....starts at \$40 per student, per month. Discounts apply based on the number of licenses purchased. Please contact us at 415-339-6040 or info@trainingspace.com for discounted pricing.

Individual Courses

- All Trainingspace™ courses are available individually. Please select "trainingspace store™" on our home page at www.trainingspace.com and you can order any course or a collection of courses you choose.

Custom Training Courses

- Custom training is available only for corporate clients; pricing will be negotiated based on content. Please contact us for more information.
